ETHICAL PRACTICES BOARD ISSUES 1987 NONOFFICEHOLDER
CAMPAIGN FINANCE SUMMARY

Individuals, political committees and funds, and political parties contributed \$259,792 to 287 state candidates, other than state officeholders, in 1987, according to a summary of campaign reports compiled by the Ethical Practices Board.

Offices sought by the candidates whose committees filed reports include governor, attorney general, state treasurer, state auditor, secretary of state, state senator, state representative, appeals court, district court, and county court.

Minnesota law requires each registered candidate committee to file an annual report of receipts and expenditures with the Board until the committee terminates. Committees of 79 of these candidates terminated when they reported in 1988. Among the remaining committees are candidates who registered committees in 1974 through 1987.

Total campaign expenditures of \$138,445 were reported by the 287 committees, which disclosed total beginning cash balances on January 1, 1987, of \$227,282, and cash on hand December 31, 1987, totaling \$183,983. The committees reported total transfers of \$23,805 to other state candidates, committees, or funds in 1987.

Included in the Board's summary for each candidate are total contributions received,

total campaign expenditures, cash on hand, and a listing of the names of individuals, committees, or funds contributing in aggregate during 1987 more than \$100 to legislative, district or county court candidates and more than \$200 to candidates for statewide office.

All candidates registered with the Board, including state officeholders and candidates in three special elections for legislative seats held in 1987, received contributions in 1987 totaling \$1,544,503. Campaign expenditures in 1987 by all registered candidate committees totaled \$737,658.

Committee and fund reports, with summary publications based on 1987 campaign finance reports, are available for inspection at the Board office, 625 North Robert Street, St. Paul.

However, a candidate who does not designate and form a principal campaign committee and who spends more than \$100 of the candidate's own money, not including filing fee, to influence that candidate's nomination or election is required to file a Report of Receipts and Expenditures with the Board.
